

# N-Zyme

## Enzymatic Cleaner

*Limpiador y Deodorizante Bioenzimatico*

### DESCRIPTION

This bioenzymatic cleaner and digester contains a selection of specialized bacterial strains and chemical cleaners specifically designed to make your toilets, sinks, showers, and pipelines sparkle like they never have before, while enhancing and maintaining the efficient operation of sewage treatment systems.

### DIRECTIONS

**BOWL CLEANER:** Use daily at full strength. Adequately cover the interior surface of the toilet bowl using a bowl mop. Leave this product in the bowl for as long as possible.

**DEODORIZER:** Physically remove as much of the source of the malodor as possible. Apply product directly on the source of odor with a sprayer or cloth moistened with this product.

**DRAIN LINES AND DOWN PIPES:** Use 2 - 4 times weekly to keep pipes free of grease, fats, and other solid waste. Will not damage pipes or chrome. Use 2 oz. for each inch of pipe diameter. Example: 1" pipe = 2 oz. / 4" pipe = 8 oz.

**SEPTIC TANKS:** For initial treatment, flush 1 full quart down toilet. For weekly maintenance, use 8 oz. per week.

**HOLDING TANKS ON BOATS AND RVs:** For initial treatment, add 2 oz. per gallon of water to holding tank. For maintenance, use full strength at 16 oz. per week.
