

Trusted Clean Heated Extractor

'Ultimate' Heated Carpet Cleaning Box Extractor with 12" Wand & 25' Hose

Item#
TPL-12-100-CE-HEAT-TCP

State of the Art, Extreme Cleaning

The Trusted Clean 'Ultimate' is a 12-gallon box extractor that comes with a 12" carpet cleaning wand, a 25' hose, and an external heater. The power and large capacity, combined with a minimum size and weight, make this model ideal for the single operator. It holds a big 12-gallon tank inside a surprisingly compact body for maximum efficiency and portability, all at an affordable price!

Product Features:

- ✓ 12" Wand, 25' Hose, & External Heater Included
- ✓ 100 PSI Pump, 150" of Water Lift
